INTRODUCTION

The Firm was primarily established with name of Tenure Constructions in the year 2006. Later in 2011, it renamed as Tenure Constructions Private Limited (TCPL) having head office in Lahore & increased professional activities in North & Central regions. In addition to the services being offered by us in segment of construction and developing projects, TCPL has expertise to handle turn key projects including design, analysis & evaluation, construction, supervision, construction management & project planning, anywhere in the world.

TCPL is well recognized around Pakistan as one of a select group of contractors able to undertake even the most demanding projects. We are now working with best-in-class clients to make further major improvements beyond what is achievable by focusing purely on formal routines.

TCPL's strength stems from many years of experience amongst the senior management in implementation of diversified projects for the known industrial leaders in telecom, civil works and solar energy.

TCPL is committed to deliver a quality professional service to its clients. TCPL's policy is to operate a Quality Management System & to ensure that all the necessary resources & trainings are provided to operate the system & that all personnel take an action role in implementing the Quality Management System.

Our goal is to ensure that company facilities and operation are in compliance with federal, state & local environment standards. We believe that an appropriate balance can and should be achieved between environment goals & economic health. We intend to be a leader in best environmental management.

CHAIRMAN'S MESSAGE

Tenure Constructions Private Limited was started over ten years ago with a singular vision: to create a business where the customer comes first. We've strived every day to meet this vision, and to build our team with this mantra always in mind. Looking back, we have built a business that has deep and lasting customer relationships, with the type of trust that can only come over time. Our customers know us, and our skills, and indeed engage us build their dream projects in reality.

A business such as our also depends on the people within, and we have always chosen to work with the type of people who share our philosophy and commitment, but also want to grow within the company. Today we are a thriving team of professionals ranging from Civil Engineers, site executives and supporting staff.

My message would be lacking without a look forward to the future. As technology evolves, TCPL is working hard to keep ahead of the trends and solutions that can bring true value to our customers. We believe in the pillars of safety, quality and on time.

I look forward to building a lasting relationship with many more of you in the future.

Sincerely,

Tariq Mehmood Virk
CEO, Tenure Constructions Private Limited.

SCOPE OF CONSTRUCTION

General Building Construction

Design & Construction of Multi Story Buildings.
Construction of Commercial and Industrial Buildings.
Water proofing and Deep Foundations.
Construction of BTS Site for Telecommunication.
Air Conditioning, Electrification and Plumbing Works.
Renovation of Buildings.

Bridges/Structures Construction

Raising the dams to increase the capacity of storage.
Concrete Lining for Dams & Canals.
Retaining Walls (RCC & Plumb Concreting).

Road & Pavement Construction

Construction of Asphalt and Concrete Roads.
Earthwork Road Embankment and Transportation Services.
Road Forming (Preparation of Subgrade and Base Course)
Providing Equipment/Material for Road Construction.
Construction of Approach Road, Footpaths & Parapet Walls.
Installation of Electric Poles and Road Lights.

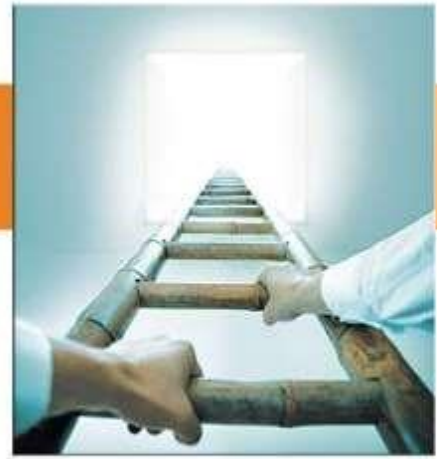

Sewerage & Irrigation Systems

Construction of Service Road Drains and Road Drainage System.
Excavation and Preparation of Dykes for Canals.
Waste Water Treatment and Drip Irrigation System.
Providing of Sewerage Lines System.
Lining of Water Course System (Brick Lining & PCPL Segments).

MISSION STATEMENT

Our mission is to realize the need and requirement of our clients through offering quality service in an innovative & cost-effective manner.

OUR STRENGTH

To create for various design & construction services, TCPL requires professional establishment including engineers, architects, interior designers, surveyors & technicians etc. It's professional & supporting staff does match the international quality standards in order to assume the similar works.

FIELD OF ACTIVITIES

TCPL was established in 2006 for executing Civil, Mechanical & Electrical works. Since its inception in 2006, it has rendered its professional services to private sector and public sectors as well. The company has the privilege in completing 20 projects by satisfying the clients greatly.

TCPL has capability and experience in Telecommunication, Residential, Industrial and Commercial Architecture. In addition to the service rendered by us towards construction and development of projects.

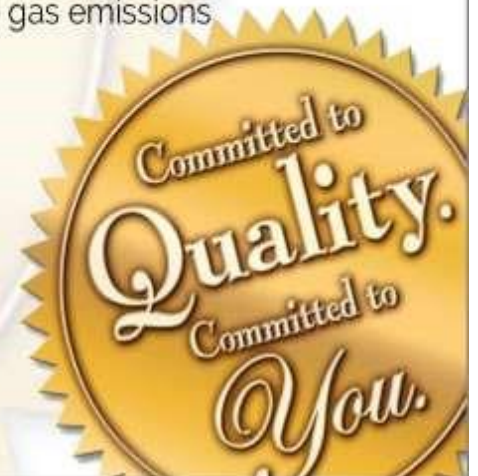

TCPL has the expertise to turn key factors including, design, analysis and evaluation, construction, supervision and construction management, anytime and anywhere on client's demand.

QUALITY POLICY

Tenure Constructions (Pvt) Ltd. is committed to satisfy the requirements and needs of its clients consistently by providing professional quality services in terms of time, economy and safety. The company achieves this objective by developing and maintaining a quality management system, training of the company personnel, developing team works, determining its client. The company management establishes & periodically reviews the quality objectives at different levels, to meet the above-mentioned goals & ensure that these are understood and implemented at all levels within the organization.

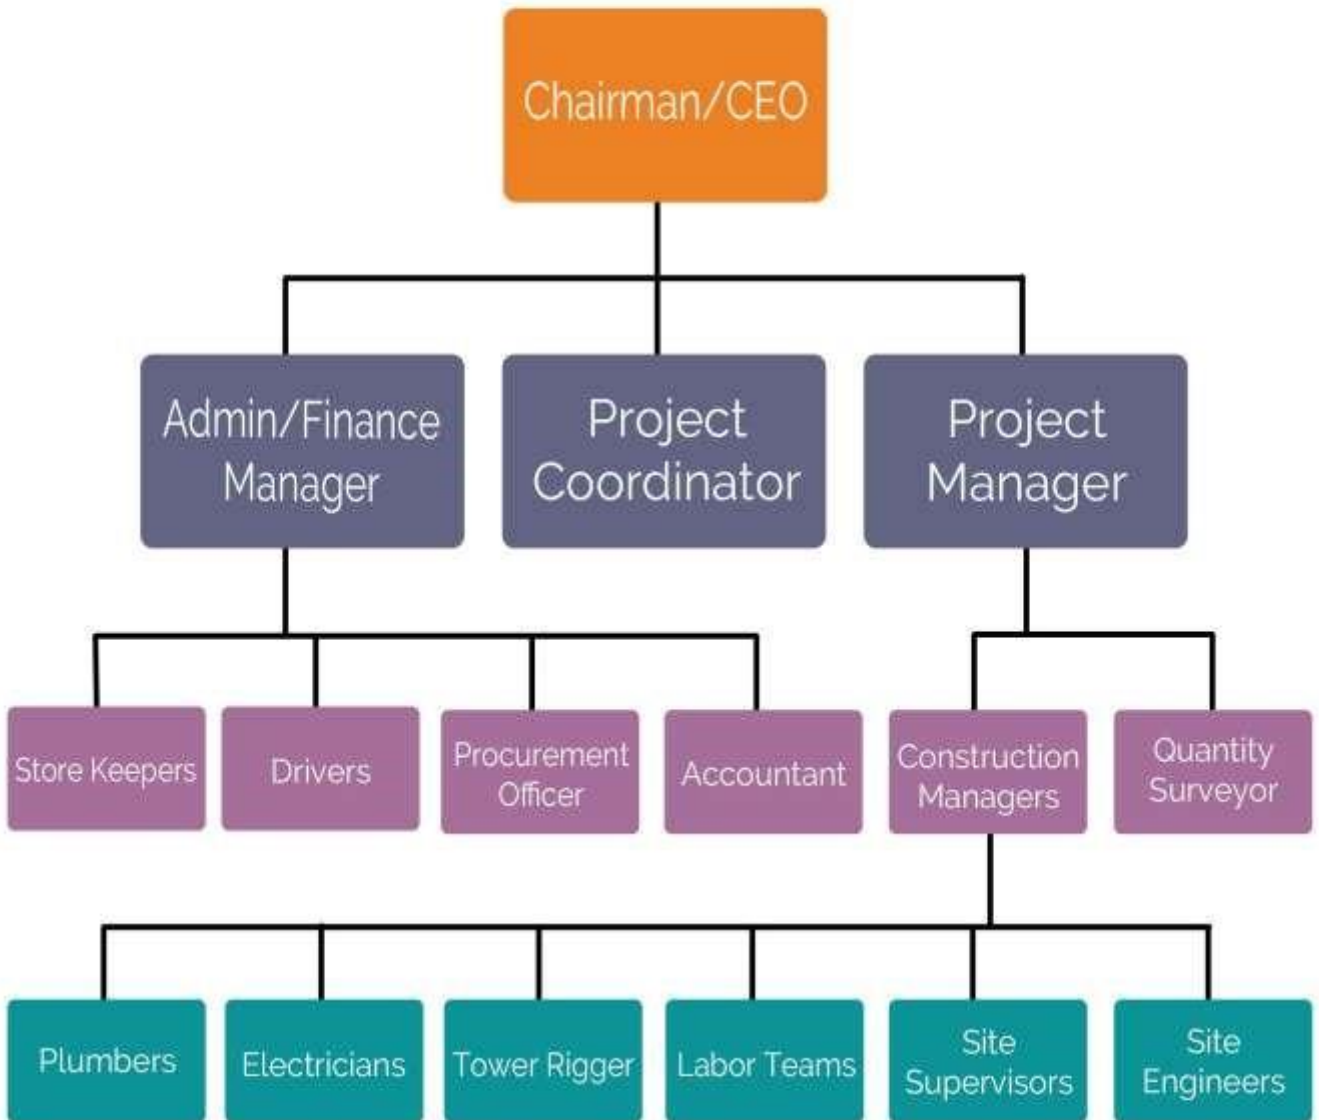

- ✓ Total Customer Satisfaction.
- ✓ Usage of quality raw material.
- ✓ Honesty with customer, employees and business community.
- ✓ Compliance with all applicable regulatory & statutory requirements.
- ✓ Development, implementation & continuous improvement of Quality Management Systems.
- ✓ Aim of continued efforts to comply with standards.
- ✓ Achieving excellent in products and services.
- ✓ A greener and cleaner environment for all.
- ✓ Prevention of pollution in all areas of our operation.
- ✓ A program of continual improvement in everything we do.
- ✓ Keeping ourselves aware of and compliant with, all current and future legislation.
- ✓ Reduce the usage of natural resources.
- ✓ Minimization of waste and maximization of recycling/reuse.
- ✓ Minimization of toxic emissions through the selection and use of its fleet and the source of its power requirement.
- ✓ Actively promote recycling both internally and amongst its customers and suppliers.
- ✓ Use an accredited program to offset the greenhouse gas emissions generated by our activities.

- Worked as Site **Engineer** with **M/S DONGFANG ELECTRIC CORPORATION (DEC).** BAROTHA CONSTRUCTIONS. The contractor for **Ghazi Barotha Hydro Power Project C-03** Power House and Reserves in Barotha Dist. Attock, for the Constructions of South Head Pound on the Embankment Section

5. Period: 22nd September, 1999 to 21st February, 2004.

Worked as a **Supervisor Engineer** in Hattian Works Project , C-01 with **M/s Ghazi Barotha Contractors (GBC)**, a joint venture of Impregilo S.PA (Leader), ED Zublin-AG, Nazir & Co. Pvt. Limited and Sadullah Khan & Brothers (SKB).

The Contractor for **GHAZI BAROTHA HYDRO POWER PROJECT (GBHP)** Dist. Attock.

Work Description:

During this project my main responsibilities are the constructions, supervision and to control the Quality and progress for the following activities.

Channel Lining Concrete

- Excavation for Mini Lining Concrete. (Channel Lining under the Structures) from 0 to 52 Kilometers.
- Laying of Filter Material on channel bed and side slopes and testing with the help of Troxler as well as by Sand Replacement Method.
- Placing of Water Stop and Crack Inducer along the constructions joint of Power Channel Lining.
- Placing of fabricated steel meshes prior to Concrete Lining.
- Execution of Manual Lining Concrete (250 mm Thickness) at structures locations using Mini Pavers Machine and Dynapac Vibrator Beam.
- Laying and Backfilling of PVC collector/transverse pipes and RCC chute with filter material.
- Reinstatement of more than 100 blocks panels.
- Reinstatement of more than 3000 RM Concrete Sapling along the Induced Joint of Power Channel.
- Reinstatement of rain damaged Lining Panels.

Surface Drainage System along the Power Channel

- The supervision for the construction of all types of drains i.e. Service Road Drain, Interceptor Drain, Berm Drain and Approach Road Drain of both sides of Spoil Banks of Power Channel.
- The construction of Catch Pits, Pipe Culverts/Pipe Crossing dia 300 and 675 mm Pipes.
- The construction of Chutes System between the Berm Drain and Service Road Drain along the Spoil Banks and Power Channel.

Service Road Activities

- The supervision of service road works i.e. the preparation and compaction of sub grade with help of Dyna Pack Roller.
- The placing and compaction of base and sub base material.
- The placing and compaction of base and Installation of Security Gates on the Structures at the both side of Service road of Power Channel.
- Constructions of Out Let Chambers connected through RCC chutes pipes with the pump sumps under the Lining Concrete of Power Channel.

Earth Work Activities

- Supervision of Excavation Operations with the latest Machinery for the Channel Lining Works under the Structures of Power Channel.

- Preparation of Dyke Slopes.
- Construction of Dowels along the both side of Power Channel.
- Back Filling and compaction around the structures with the help of Troxler as well as by Sand Replacement Method.

Miscellaneous Activities

- Laying and back filling of OFC ducts and erection of electric poles for 11 KV Power Line along the both side of Power Channel.
- Placing of inclined and vertical Pezos Meter Pipes on the both side of Power Channel i.e. the clearance of blockage pipes.
- The construction of Pezos Meters Leaders for the access of Vertical Pezos Meters at the ramp portion.

Objective:

To obtain a challenging position in organization where I can apply my intensive skills and trainings to grow professionally.

Personal Information:

Date of Birth June 20, 1978
Religion Islam
Marital Status Married
Fathers Name Muhammad Hussain Baig
Domicile Lahore

Work Experience

Constructions Manager:

I am working as Project Engineer for site build and site acceptance in *M/S Tenure Constructions (Pvt.) Ltd.*
I have been serving this organization since 1st of January, 2007.

My responsibilities include:

- Design Coordination following the specs and Economy.
- Getting the designs done according to specifications with maximum economy.
- Manage a team of site Engineers and Contractors to build the site according to specifications and time schedule.
- Coordinating with Client staff, site build team and head office for in time supplies.
- Preparing progress reports to submit to head office.
- Control the overheads for site build and extra work claims made by the contractors.

Area Manager:

I have worked as Area Manager for site build and site acceptance in *NASCOM Construction (Pvt) LTD.* I have been serving this organization since 25th of July 2005 till 24th December, 2006. The project was to build the telecom tower sites starting from layout to put on air.

My responsibilities include:

- Design Coordination following the specs and Economy.
- Getting the designs done according to specifications with maximum economy □ and required safety and utility.
- Manage a team of site Engineers and Contractors to build the site according to □ Specifications and time schedule.
- Coordinating with Client staff, site builds team and head office for in time
- Supplies.
- Preparing progress reports to submit to head office.
- Control the overheads for site build and extra work claims made by the
- Contractors.

Assistant Manager:

I have been working in BF property and construction (Pak) Pvt Ltd. Since 15th of June 2004 till 23rd of July 2005 as Assistant Manager.

My responsibilities include

- Coordinating amongst contractor, consultant and project manager
- Plan and managing construction according to time schedule
- Preparing reports to submit to head office

Construction Engineer:

I have been working in Charisma Consultants and Builders since 17th of February 2003 to 5th of June 2004.

My responsibilities include:

- Providing assistance to the contractor in execution according to drawings
- Placing and managing construction according to time schedule
- Preparing reports to submit to head office
- Checking bills of sub-contractors
- Sheet and form work where required according to shop drawing and sketches.
- Prepare the steel reinforcement meshes and placing them in their respective according to shop drawings.
- To make arrangements for materials, □ Do execution according to shop drawings □ Dealing with the consultant staff.
- Control the quality of concrete at site and at plant by continuous contact with the plant.

OBJECTIVE

A Senior Position Management Role (Planning, Scheduling, Cost Control, Cost Management, Risk analysis, Risk Coordinator, Risk Management, Project Control, Project Coordinator, Project Engineer, Project Management) in a company that offers stability, challenging atmosphere, excellent potential growth and where my professional leadership, experience and engineering knowledge can be used effectively.

SUMMARY

- More than **twenty years** of professional experience in Planning, Scheduling, Risk Management, Project Management, Monitoring and Cost Controlling activities especially for Oil & Gas sector (Upstream & Downstream), Cross Country Pipelines, Hot Tapings, Shutdowns, Tie-In works, Erection of Plants & Equipment, Refineries, Chemical & Energy Industry, Construction of Civil Structures, Metro Systems and development of Integrated Infrastructure Projects.
- Knowledge of general EPC contracts issues, Design Issues, Standards, Codes and Specifications, yard fabrication methods, execution methodologies, construction operations, Oil & Gas operations and commissioning activities.
- Ability to efficiently handle and administer multiple tasks for Site Execution, Scheduling, Planning, Risk Identifying, Risk Analyzing, Risk Management and Cost Control as per approved Baselines.
- Self-motivated result oriented with strength in leadership, planning, scheduling, controlling, execution, supervision and organizational skills.
- Good Communication (Written & Spoken) capability in English language and have basic working knowledge in Arabic language.

PROFESSIONAL QUALIFICATION & CERTIFICATIONS

- 2015 - 2018** Risk Management Professional (PMI-RMP)
Project Management Institute USA (PMI)
- 2012 - 2018** Project Management Professional (PMP)
Project Management Institute USA (PMI)
- 2014 - 2018** Certified Risk and Compliance Management Professional (CRCMP)
International Association of Risk Compliance Professionals (IARCP)
- 2011 - 2014** Planning & Scheduling Professional (PSP)
Association of Advancement in Cost Engineering International (AACEI USA)
- 2008 - 2008** Project Management Modules (Primavera P6 V8.2)
Oracle International University USA
- 2008 - 2009** One Year Post Graduate Diploma in Project Management (PGD-PM)
Skill Development Council Islamabad, Pakistan (SDC Islamabad)
- 2008 - 2017** Certified Cost Professional (CCP)
Association of Advancement in Cost Engineering International (AACEI USA)
- 2006 - 2006** Primavera Project Planners (P3)
Pakistan Engineering Congress Lahore, Pakistan (PECCC)
- 1997 - 2002** B.E. Civil
University of Engineering & Technology Lahore, Pakistan (UET Lahore)

SOFTWARE SKILLS

- Primavera P6 v8.3 (Expert user of all versions)
- Primavera Risk Analysis P8.5 (Pert Master) and Active Risk Management
- Monte Carlo Simulation using @Risk and Crystal Ball
- Consultant Cost Engineering System (CCES)
- MS Office Word, Excel, Power Point
- JD Edwards, Aconex, Mile Marker, Snag it, Milestone Professional
- SAP System PS-01, PS-05, PM, MM
- MS Project 2010 for scheduling
- FD Cost for Cost Control

OTHER SKILLS

- Safety Leadership for Supervisors (SLS)
- Supervisors Incident Prevention Program Part 1 (SIPP-I)
- Supervisors Incident Prevention Program Part 2 (SIPP-II)
- HSE Tools & Techniques
- H₂S Awareness & Escape
- HSE Risk Management (TRIC & STOP)
- Initial Fire Response (IFR) and
- Basic First Aid Course
-

RELEVANT PROFESSIONAL EXPERIENCE

Islamic Republic of Pakistan

Working with M/s Tenure Constructions (Pvt) Ltd. - TCPL (July 2008 to Date) +14 Years

Current Main Responsibilities:

- Updating Project Management Registers with Mitigation actions and their status.
- Updating Overall Summary Project for Management Review.
- Participating in Risk Workshops for brainstorming the team and to perform root-cause analysis for major High and Medium categorized risks.
- Monitoring, Controlling and Reporting the progress of Risk Treatment Plans.
- Preparing the Monthly Risk Management Report.
- Conducting Biweekly Risk Meetings with key Stakeholders
- Discussions with Project Managers and Top Management on Quantitative and Qualitative Risk Impacts.
- Participating in Risk Identifying and Risk Management workshops (Monthly & Quarterly) for updating Risk Consequences, Risk Probability and Risk Impact.

Projects:

(i)- Rehabilitations of Earthquakes Affected Areas of KPK & AJK with UNICEF PAKISTAN,

As Snr. Engineer (April 2008 – June, 2012)

**A Project of United Nations Children's Funds & Swiss Agency for Development & Cooperation
DSC Humanitarian Aid- SDC-HA, Reconstructions and Livelihood Program RLP**

in Earth Affected Areas of KPK & AJK and completed more than 20 School Buildings under my supervision.

Completed Tasks of School Buildings

- Construction of GGPS Hadobandi (3 Class Room), UC Hadobandi District Mansehra
- Construction of GGPS Kahala, UC Jhandgran, Dist. Muzaffarabad 2+1 L (NP-1 & NP-4)
- Construction of GPS Ateesa (Atisa), UC Danna, District, Muzaffarabad 2+1 L (NP-13) NP-5
- Construction of GGMS Hassari, UC Talhatta, District, Mansehra. (5 Class Room)
- Construction of GPS Nokot, UC Garlat, District, Mansehra. (3 Class Room)
- Construction of GGPS Seri Khairabad, District, Mansehra. (2 Class Room)
- Construction of GGPS Bhegra, UC Hungrai, District, Mansehra 4+0 D/S - NP-8, NP-5
- Construction of GPS Kain, UC Kai Manja, District, Muzaffarabad. 2+0, NP-1 & NP-5 Toilet
- Construction of GGPS Paloi, UC Jobori, District, Mansehra 2+0, NP-1, NP-5 Toilet Block
- Implementations of Drinking Water Facilities of 21 Schools in District Mansehra. Package#01
- Installation of Bio Filter System for Drinking Water Facilities of 15 Schools in Dist. Mansehra.
- Construction of GGPS Sarni, UC Phullran, District, Mansehra 2+0 L NP-1 & Toilet Block NP-5
- Construction of GPS Teran Batora, UC Talhatta, Tehsil Balakot, Mansehra, 2+1, NP-3, Cat. D
- Construction of GPS Bagal Char, UC Karnole, District, Mansehra. 2+0 NP-1, NP-5
- Construction of GGMS Sir Syedan (Primary Portion) UC Rawali, District, Bagh. AJK.

(ii)- Alecatel-Lucent Pvt. Limited, Mobilink GSM Project, New BTS Sites. C-III

As Snr. Engineer (July 2012 – September, 2013)

Completed Tasks of Tower BTS Sites.

- Civil Works Complete BTS Site, MUL-0227, 46 M GF (Raft) Rangeel Pur, Multan.
- Civil Works Complete BTS Site, RUR-0149, 46 M GF (Raft), Basti Jaffaran, Jilalpur Pirwala.
- Civil Works Complete BTS Site, RUR-0219, 46 M GF (Raft), Basti Sokar, Taunsa.
- Civil Works Complete BTS Site, HWY-0123, 46 M GF (Raft), Maloon More, Jhang
- Civil Works Complete BTS Site, RUR-0171, 46 M GF (Raft), Basti Hanjan Wai, Multan.
- Civil Works Complete BTS Site, RUR-2041, 46 M GF (Raft), Manik Wali, Jilalpur Pirwala.
- Civil Works Complete BTS Site RUR-0152 at Chak Gamman Khan Wala, Jilalpur Pirwala.
- Additional Works for BTS Sites MUL-0227, RUR-0149, 0219, 0726, 0171, 2041 & HWY-0123

(iii)- Construction of Office & Residential Building in Chines Camp at R/B of Tarbela Dam

As Project Engineer (October 2013 – June, 2014)

A Project of Sinohydro Group Limited – SGL, The Contractor for Tarbela 4th Extension Hydropower Project Tarbela, KPK.

- Completion of Office & Residential Buildings
- Canteen, Boundary Wall & Main Gate etc.

(iv)-Karachi – Lahore Motorway Project KLM Section - III,

As Project Engineer (April 2016 – December, 2019)

Department of CR20G Division – II

A Project of China Railway 20 Bureau Group Corporation – CR20G

- Completion of Road Abutment K 1127+000 ~ K 1129+000 & K 1135+000 ~ K 1137+000
- Structure Concrete Works for Under Passes, Cattle Creep and Box Culverts
- Under Pass at K 1128+780, Under Pass K 1133+534 & Cattle Creep 1134+933

(v)-Construction of GPS Ghund Patay. As Project Engineer (August 2014 ~ July, 2016)

A Project of Swiss Agency for Development & Cooperation (SDC-HA)

Schools Reconstruction Program in KPK

- Construction of Boiler's Foundation & C.C Flooring at
- Supervision and control the quality of work
- Dealing with client & projects consultant
- Progress Monitoring & Forecasting Schedule
- Generation of weekly & monthly progress reports for Client Review
- Project budgeting and control
- Preparation of Labor Contractors Bills
- Preparation of tender stage construction schedule
- Preparation of manpower and equipment utilization plans
- Preparation of manpower and equipment monthly reports

(vi)- Phthalic Anhydride Production Plant:

As Project Engineer (April, 2020 ~ Jan, 2022)

Completed the Civil Work Foundations for

PACHEM Global (Pvt) Ltd. at Plot # 25, Ph-1, M3, Industrial Estate Faisalabad.

- Construction of Plant Foundations, Boil foundation & Cooling Tower Foundations.
- Construction of Buildings for FESCO (Electric Panels) Rooms, RO Plant, HT Oil Heater
- Boiler Control Room, Stream
- Turbine Control Room, Pump Foundations & Shed
- Fire Fighting Pump Foundations, Compressor Shed/Room Foundation
- Lighting Pole Foundations, Dyke Wall
- Service road Drain & Pipe Crossing, Main Plant Flooring,
- Boundary Wall & Main Gate, Cable Trench, Sewerage Line. Etc.
- Construction of Canteen Laboratory Room & Masjid, (Leftover Work Only)
- Plinth Protection of Admin Block & Other Buildings and other Misc. Foundations

(vii)- New Depalpur City – Low Cost Housing Project:

As Project Engineer (August, 2022 ~ To date)

- “Construction of Low Cost Housing” of 714 Units of 3.5 Marla each under “Naya Pakistan Housing & Development Authority – NAPHDA” at New Depalpur City, 6 KM Kasoor Road, Depalpur, Okara.

POSTAL ADDRESS

House NO B-11 Bilal Road Near Commissioner Office Faisalabad.

EXPERIENCES

1. TENURE CONSTRUCTIONS PVT LTD

(26-MAR-2016 TO TILL DATE) As Project Engineer

Projects:

(i)-Karachi – Lahore Motorway Project KLM Section - III,

(March 2016 – June 2017)

Department of CR20G Division – II

A Project of China Railway 20 Bureau Group Corporation – CR20G

- Completion of Road Abutment K 1127+000 ~ K 1129+000 & K 1135+000 ~ K 1137+000
- Structure Concrete Works for Under Passes, Cattle Creep and Box Culverts
- Under Pass at K 1128+780, Under Pass K 1133+534 & Cattle Creep 1134+933

(ii)-Nishat Mills Ltd. (July 2017 ~ December, 2017)

- Construction of Boiler's Foundation & C.C Flooring at Nishat Mills Ltd. Faisalabad Road Bhikhi, Sheikhpura.
-

Key Responsibilities:

- Supervision and control the quality of work
- Dealing with client & projects consultant □ Progress Monitoring & Forecasting Schedule □ Preparation of Bar Bending Schedules.
- Generation of weekly & monthly progress reports for Client Review
- Project budgeting and control
- Preparation of Labor Contractors Bills
- Preparation of tender stage construction schedule
- Preparation of manpower and equipment utilization plans
- Preparation of manpower and equipment monthly reports

(iii)-Omega Residencia: (January, 2018 ~ December, 2018)

- Construction of Hassan Tower/Omega Hospital at Omega Residencia near M2 Faizpur Interchange Sharqpur Road, Lahore.

(iv)-Al-Rehman Square: (January, 2019 ~ April, 2020)

- Construction of Al-Rehman Square Tower at Al-Rehman Garden Ph-II, M2 Faizpur Interchange Sharqpur Road, Lahore. A Project of Al-Rehman Developers as – Contractor of MA Engineering Services.

(v)- Phthalic Anhydride Production Plant: (May, 2020 ~ Jan, 2022)

- “Construction of Civil Foundations” i.e. Boiler House Foundation & HT Oil Heater Room, FESCO ROOM, RO Plant Building, Stream Turbine Control Room, Compressor Room, Pump Foundations, Dyke Wall, Front Boundary Wall, Lighting Poles Foundations, Boiler Control Room, Leftover Work of Masjid, Canteen & Laboratory Buildings, Plant Flooring and Miscellaneous Works for “Phthalic & Anhydride Production Plant”.

(vi)- Qiang Sheng Pakistan Ceramics (Pvt.) Ltd.: (FIEDMC)

(Jan, 2022 ~ July, 2022)

- “Construction of Boundary Wall, Chinese Cafeteria Building & Pakistani Canteen Buildings” at Qiang Sheng Pakistan Ceramics (Pvt) Ltd at Plot Nos. 152, 153 & 154 Allama Iqbal Industrial City Ph-II, FIEDMC Sahinawala Interchange Faisalabad.

(v)- New Depalpur City – Low Cost Housing Project:

(August, 2022 ~ To date)

“Construction of Low Cost Housing” of 714 Units of 3.5 Marla each under “Naya Pakistan Housing & Development Authority – NAPHDA” at New Depalpur City, 6 KM Kasoor Road, Depalpur, Okara.

2. THAHEEM CONSTRUCTION COMPANY
(1-JAN-2013 TO TILL 25-FEB 2016)

PROJECTS:

**JADEED POULTRY FARM JUNGLE MARAYLIA JADEED POULTRY FORM
LUCK MOR SARGHODHA (THE BIGGEST POULTRY COMPLEX IN PAKISTAN)**

DUTTIES:

PROJECT INCHARGE

To managed and watched the everything which helps to complete the project in time and good relationship with client’s engineers.

3. ADAM ISMAIL PVT LTD
(16-DEC-2008- to 31-Dec-2012)

WORKED AS A PROJECT ENGINEER

PROJECTS:

**AZZAN HIGHTS SAHIWAL (HIGHEST PLAZA IN SAHIWAL), JUBBLIES
PROCESSING MILL FAISALABD, ZAINAB PLAZA FAISALABAD,
NIAGARA PROCESSING MILLS KHURIANWALA
FAISALABAD (THE BIGGEST PROCESSING IN ASIA), HASSAN SPINNING
MILLS, HABIB HASSEEB POWER HOUSE.**

DUTTIES:

To managed and watched the everything's which helps to complete the project in time and good relationship with client's engineers.

4. AZHAR GROUP OF COMPANIES PVT LIMITED

(15-DEC 2006 TO 15-DEC- 2008) Worked as a
SENIOR SITE ENGINEER PROJECT:

Silver oks (high rise building in ISLAMABAD after earthquake)
Markaz ISLAMABAD

F -10

DUTIES:

To managed the site work (calculate and manage the form work, making the bar binding schedules and discuss the main technical points with client engineer and deal with skill labors and satisfy the most seniors.

5. MUZAFFAR SONS

(17-May 2004 TO 3 JANUARY - 2005)

WORKED AS A **SITE INCHARGE**

PROJECTS:

Worked for the Building Constructions, Main God down RO Plant & Plant Foundations at Olympia Chemical Limited, Quaid Abad, Khushab.

DUTIES:

To managed and watched everything which helps to complete the project in time and good relationship with client's engineers.

6. GURANTEE ENGINEERS SONS LAHORE

(5-May 2002 TO 17 March - 2004)

WORKED AS A **SITE INCHARGE**

PROJECTS:

Power house of SPHIRE TEXTILE MILLS, Extension of Nilam Textile, Power house of Nillam Textile, Double story Godown of Nillam textile Mill Faisalabad Road SHEIKHOPURA, Residential Colony AL MOEEZ SUGAR MILL D.I KHAN.

DUTIES:

To managed and watched everything which helps to complete the project in time and good relationship with client's engineers.

7. M.K.B Traders

(February 2001 TO July - 2007)

Worked As Sub Engineer

PROJECTS:

- Construction of SPHIRE TEXTILE MILLS, Double story Go down of Nillam textile Mill Faisalabad Road SHEIKHOPURA,
- Residential Colony AL MOEEZ SUGAR MILL D.I KHAN.

DUTIES:

To managed and watched everything which helps to complete the project in time and good relationship with client's engineers.

8. HAKAS PVT LTD

(1998 TO - 2001)

WORKED AS A **SUPERVISOR&SITE ENGINEER**

PROJECTS:

SITARA STICTHING UNIT SARGHODA ROAD FAISALABAD, SURAJ COTTON MILL SHEIKHOPURA ROAD FAISALABD, BISMILLAH WEAVING MILL JURRANWALA ROAD KHURIANWALA.

DUTIES:

Layout the project with theodolite machine and discuss the technical points with his seniors and check the site works as per drawing as per specification and inspection the site work to the client engineer.

Asad Ullah Qazi

529 W, Defense Housing Authority, Lahore Cant
Cell # 0321-4463543
Email: qazigeo@gmail.com

Personal Profile:

Fathers Name: Zain Ul Abidin
Date of Birth: November 17, 1971
Marital Status: Married
Nationality: Pakistani
Domicile: Lahore (Punjab)
N.I.C. No. 35201-1652572-7

Academic Profile:

2012-14

M.Phil. Applied Geology

Specialization in Engineering geology
from Institute of Geology, University of the Punjab
Lahore, Pakistan.

1997-99

M.Sc. Applied Geology

Specialization in Engineering geology & Geohydrology from Institute of
Geology, University of the Punjab
Lahore, Pakistan.

1992-97

B.Sc. Applied Geology

Institute of Geology, University of the Punjab
Lahore, Pakistan.

1991

FSc Pre- Engineering 1988-90

Govt. F.C College Lahore

1987

Matriculation (Science)

Key Qualification:

Practicing as Engineering Geologist since January 1998.

Activities include supervision of pile construction work including drilling, lowering and pouring tasks, writing of pile completion work, supervision of geotechnical investigations including boring,

drilling, excavation of test pits, performance of inset testing i.e SPT, field density testing, permeability testing, water pressure testing etc along with collection of disturbed and undisturbed sampling and subsequent lab testing. Also conducting of quality test of soil, aggregate, cementitious material, and bricks, ensuring of quality controlling at batching plant, Installation of Inclometers, Piezometers, Extensometers, Surface markers, Tilt meters, strong motion accelerograph and joint meters in Power House, Intake, Spillway, Penstock and Embankment area.

Professional Training

National Training Courses on

- **“Evaluation of Aggregate as a Construction Material”**
In Collaboration with the Ministry of Labor, Manpower & Overseas Pakistanis, and UNDP under TOKTEN Programmed.
- **“The Waste Management Systems”**
In Collaboration with the Ministry of Labor, Manpower & Overseas Pakistanis, and UNDP under TOKTEN Programmed.
- **“Economic Mineral Deposits”**
In Collaboration with the Dept. of Mines and Energy, N.T. Geological Survey, Darwin, Australia.
- **Completed two months course of ISO 9000.**

Professional Experience:

Serve as a geologist in Royal Scientific Corporation from 1996 to 1999 (Part time Job)

- **1999 - 2004**

Project: Ghazi Barotha Hydro Power Project C-03 Attock.

Organization: Dong Fang Electric Corporation.

Designation: Laboratory Engineer / Geologist

Job Description:

- To conduct quality test of soil and aggregate.
- As a quality control engineer at batching plant.
- Quality test of Aggregate.
- Testing of Cementations Material, and Bricks.
- Involved in the investigation of new borrow areas and its testing.
- Quality testing of base course aggregate.
- Supervised field density test at site with nuclear Dens meter, Sand Replacement & Water Replacement method.

- Installation of Inclinometers, Piezometers, Extensometers, Surface markers, Tilt meters, strong motion accelerograph and joint meters in Power House, Intake, Spillway, Penstock and Embankment area.
- Incharge of the handing over (Geotechnical Instruments) to Wapda.
- To supervise activities regarding dewatering and water level recording.
- Sampling and testing for the suitability of borrow areas.

• **2004 - 2005**

Project: Maple Leaf Cement Factory, (Phase-II, Line – II) 6700 TPD, Dist. Mianwali

Organization: National Engineering Services Pakistan (Pvt.) Ltd. (NESPAK)

Designation: Senior Geologist

Job Description:

- ❖ To supervise construction of RCC piles
- ❖ Quality control engineer at batching plant
- ❖ To supervise reinforcement and fabrication for piles.
- ❖ To conduct different lab. Testing of aggregate and sand
- ❖ Supervision of drilling for site investigations
- ❖ To write pile completion reports
- To coordinate client and billing matters

• **March, 2005 – August, 2020**

Organization: M/s GeoPak

Designation: Technical Manager

Job Description:

- ❖ Business development
- ❖ Plan and Supervise field parties for geotechnical investigations and construction of pile foundations
- ❖ Quality assurance of field work and lab. Testing
- ❖ Preparation of geotechnical reports
- ❖ To coordinate client and billing matters
- ❖

• **Sep 2020 – To date**

Organization: M/s Tenure Constructions (Pvt) Ltd

Designation: Material Engineer - ME

Job Description:

- ❖ Material Testing, Quality Inspection of Road Embankment Works.
- ❖ Supervise of Geotechnical Investigations and Pile Foundations for Structures.
- ❖ Quality assurance of field work and lab Testing ❖ Preparation of Geotechnical Reports

Computer Skills:

- ❖ MS Office 2003 – 2012.
- ❖ Various numerical engineering models.

- ❖ Corel Draw 9-13
- ❖ Adobe Photoshop

EXPERIENCE DETAILS

1- Name of Employing Agency Tenure Constructions (Pvt) Ltd

Title of Position **Chief Surveyor**
 Location of Assignment CPEC KLM-III, Division - II and
 Patthalic and Anhydrid Production
 With **PACHEM Global (Pvt) Ltd.**
 International Petrochemicals
 (Pvt) Ltd.
 Period of Assignment Jul 2017 to Date

2-Name of Employing Agency China Sunny Yunnan Road & Bridge

Construction Co. Ltd
 Title of Position **Site Manager**
 Location of Assignment PKM Multan to Sukkur Motorway
 Period of Assignment Jul 2016 to June, 2017

3- Name of Employing Agency Xinjiang Beixn Road & Bridge Construction Co, Ltd

Title of Position **Site Manager / Chief Surveyor**
 Location of Assignment Kabul to Jalalabad Highway Project Afghanistan
 Period of Assignment May, 2015 to Jul 2016

- 1 Alignment of roads –section, survey layout of culverts.
- 1 Drainage works, control the all road works (excavation, filling, aggregate. base course, road marking.
- 1 Controlling and Management of Survey Staff and Site Staff
- 1 Ensuring excavation up to required elevation according to construction drawings 1 Preparation of Weekly and fortnightly progress reports.
- 1 Checking of bills / work done by sub-contractor every month.
 - 1 Giving of the daily task in a spiritual way to the key staff of the engineers and surveyors

4- Name of Employing Asia Bana Construction Agency

Title of Position **Senior Engineer**
 Location of Assignment Kamal Khan Dam Phase II Afghanistan
 Period of Assignment Dec, 2013 to May 2015
 1 Ensuring Main Dam and Training Dike foundation excavation up to required elevation according to construction drawings.
 1 Calculation of weekly Work Done Quantities.
 1 Preparation of Weekly Progress Drawings.
 1 Preparation the Layout Drawings of Sheet Pile Area For Survey Team.
 1 Construction and excavation of the R.C.C culvert.

- 1 Supervising the quality and workmanship according to the approved drawings and specification.

- 1 Checking and supervised the cutting and filling at Main Dam and Training Dike.
 - 1 Giving of the daily task in a spiritual way to the key staff of the engineers and surveyors at site

5- Name of Employing Agency M/S Xijain Bixein Road & Bridge Co. Ltd

Title of Position	<u>Chief Surveyor/ Site Engineer</u>
Location of Assignment	Ranipur To Rorhi N5 Highway Road
Period of Assignment	June, 2012 to December, 2013

- 1 Controlling & Supervising the quality and workmanship according to the approved drawings and specification.
- 1 Demarcation and survey of required area for project according to construction drawings.
- 1 Checking the NSLs for the quantities.
- 1 Ensuring excavation up to required elevation according to construction drawings.
- 1 Preparation of Weekly and fortnightly progress reports.
- 1 Checking of bills / work done by sub-contractor every month.
- 1 Giving of the daily task in a spiritual way to the key staff of the engineers and surveyors at site

6- Name of Employing Agency M/S Niaz & Co.

Title of Position	<u>Site Engineer/ Chief Surveyor</u>
Location of Assignment	Dudyal city AJK
Period of Assignment	Feb, 2011 to June 2012

- 1 Alignment of roads –section, survey layout of Culverts.
- 1 Drainage works, control the all road works (excavation, filling, agg. base course, Road marking.
- 1 Supervision of Filed Testing
- 1 Controlling and Management of Survey Staff
- 1 Ensuring excavation up to required elevation according to construction drawings.

7- Name of Employing Agency M/S Sarwar & Company

Title of Position	<u>Chief Surveyor/ Site Engineer</u>	Location of Assignment
		Bazai Irrigation Project
		(District Malakand /Mardan KPK)
Period of Assignment	Aug ,2010 to Feb, 2011	

- 1 Alignment of Canal, roads –section, survey layout of Culverts, island.
- 1 Drainage works, control the all Canal and road works (excavation, filling, agg. Base course, asphaltic base & wearing course, road marking.
- 1 Supervision of Filed Testing
- 1 Controlling and Management of Survey Staff
- 1 Ensuring excavation up to required elevation according to construction drawings

8- Name of Employing Agency M/S Sarwar & Company

Title of Position	<u>Chief Surveyor</u>
Location of Assignment	Mangla Dam Raising Project
Period of Assignment	May, 2008 to Aug 2010

- 1 Controlling & Supervising the quality and workmanship according to the approved drawings and

specification.

- 1 Supervision of Sub Base Course and Asphalt 1 Supervision of Drain Work.
- 1 Controlling and Management of Survey Staff
- 1 Control the concrete structures of batching plant and Head and Wing walls of pipe culverts.
- 1 Preparation of Weekly Progress Report.
- 1 Preparation of Daily Progress Report.
- 1 Ensuring excavation up to required elevation according to construction drawings.

9- Name of Employing Agency **M/S CWE (China international Water and Electric Corporation)**

Title of Position **Survey Engineer / Site Engineer**

Location of Assignment Mangla Dam Raising (Hydro Power) Project

Period of Assignment Oct, 2004 to May, 2008.

- 1 Controlling & Supervising the quality and workmanship according to the approved drawings and specification.
- 1 Demarcation and survey of required area for project according to construction drawings.
- 1 Giving of the daily task in a spiritual way to the key staff of the engineers and surveyors at site
- 1 Drainage works, control the all road works (excavation, filling, agg. base course, asphaltic base & wearing course, road marking etc.
- 1 Construction of roads including water supply and sewerage works and construction of public building
- 1 Constructions of dam fill work. X-section. Control survey network & supervise all survey works and site execution relative to dam.
- 1 Alignment of roads –section, survey layout of culverts & island.
- 1 Drainage works, control the all road works (excavation, filling, agg. base course, asphaltic base & wearing course, road marking etc.

10- Name of Employing Agency **M/S DEC (Dong Fong Electric Corporation).**

Title of position **Survey Engineer**

Location of Assignment Ghazi Barotha Hydro power project C-03

Period of Assignment Aug, 2001 to Oct, 2004.

Layout of different structure, north sill, south sill, tail regulator, power intake, spillway low-level outlets, switchyard, layout for drainage system, embankment & roads works, Coordination with consultants (PHC).

Construction supervision of spell way, power house, intake, head regulator, ponds, control building, switch yard and handing over of structures.

Complete supervision of form work, steel concreting excavation of power house tailrace channel and zoning works

11- Name of Employing Agency **M/S Astron Construction Company**

Title of Position **Ass Surveyor**

Location of Assignment Islamabad

Period of Assignment (Oct 2000 to July 2001)

1 Construction of underground water tanks and road culverts. Full site arrangement like provision of construction material and workers and dealing with consultant. 1 Preparation of Running bills according to site measurement
