- Co-Operate Membership of Lahore Chamber of Commerce & Industry (LCCI).

WELCOME CEO MESSAGE

CEO Profile

TARIQ MEHMOOD VIRK

CEO Tariq Mehmood Virk, Graduate In Commerce, And Associate Engineer In Civil, Exeperience In The Field Of Land Aquiring & About 26 Years.

Tenure Constructions Private Limited was started over 19 years ago with a singular vision. To create a business where the customer first. We have strived every day to meet the vision, and to build our team with the mantra always in the mind. Looking back, we have built the business that has deep and lasting customer relationship, with the type pf trust that can only come over time. Our customer know us , and our skills, and indeed engage us build their dream projects in reality.

A business such as our also depends on the people within, and we have always chosen to work with the type of people who share our philosophy and commitment but also want to grow within the company. Today we are thriving team of professionals ranging from Civil Engineers, site executive and supporting staff.

My message would be lacking without a look forward to future as technology evolves. TCPL working hard to keep ahead of the trends and solutions that can bring true value to our customers. We believe in the pillar of the safety, quality and on time.

I look forward to building a lasting relationship with many more of you in the future.

OUR VISION

OUR VISION

1 – Professional & Inspiring

"To be the most trusted construction company, delivering innovative, sustainable, and high-quality infrastructure that shapes a better future."

2 – Quality & Excellence Focus

"To lead the industry with uncompromising quality, engineering excellence, and customer satisfaction."

3 – Growth & Modern Construction

"To transform the construction landscape through modern technology, ethical practices, and world-class craftsmanship."

4 – Client-Centric

"To be the preferred construction partner by consistently exceeding client expectations and building long-term relationships."

5 – Strong Values & Legacy

"To create structures that stand the test of time and build a legacy of trust, safety, and innovation."

OUR MISSION

OUR MISSION

1 – Comprehensive & Professional

"Our mission is to deliver high-quality construction services through skilled teams, innovative solutions, and a strong commitment to safety, sustainability, and client satisfaction."

2 – Customer-Oriented

"Our mission is to provide reliable, cost-effective, and timely construction solutions while maintaining open communication and lasting partnerships with our clients."

3 – Quality & Safety Driven

"We are dedicated to delivering superior workmanship, ensuring safe project environments, and adhering to the highest standards of quality and professionalism."

4 – Innovation & Sustainability

"Our mission is to integrate innovation, green building practices, and modern technology to construct smarter, more efficient spaces for our communities."

5 – Workforce & Excellence Focus

"We aim to empower our workforce, maintain ethical practices, and consistently deliver projects that meet global standards of excellence."

OUR QUALITY POLICY

QUALITY POLICY

At TCPL, we are committed to delivering construction solutions that meet the highest standards of quality, safety, and reliability. Our goal is to exceed client expectations through professional excellence, continuous improvement, and strict adherence to industry best practices.

We ensure quality by:

- Maintaining strict compliance with national and international construction standards, regulations, and engineering codes.
- Using high-grade materials and modern construction techniques to ensure durability and long-term performance.
- Implementing a robust quality management system (QMS) that monitors every stage of design, procurement, and execution.
- Investing in skilled professionals, advanced technology, and continuous training to enhance workmanship.
- Prioritizing safety and risk management to create secure working environments for workers, clients, and the public.
- Engaging clients through transparent communication, timely project updates, and a collaborative approach.
- Continuously improving our processes based on feedback, audits, and performance evaluations.

We are dedicated to building structures that stand the test of time while upholding integrity, responsibility, and excellence in every project.

OUR CORE VALUES

CORE VALUES

1. Integrity

We uphold honesty, transparency, and ethical practices in every project and every interaction.

2. Quality Excellence

We deliver superior workmanship by using high-grade materials, skilled professionals, and strict quality control standards.

3. Safety First

We prioritize safe working environments, ensure compliance with safety regulations, and protect the well-being of our employees, clients, and communities.

4. Customer Commitment

We listen to our clients, understand their needs, and provide solutions that exceed expectations with reliability and professionalism.

5. Innovation

We embrace modern technology, advanced engineering methods, and continuous improvement to enhance efficiency and project outcomes.

6. Teamwork

We believe in collaboration, respect, and mutual support—working together to achieve shared goals and deliver successful projects.

7. Accountability

We take responsibility for our actions, decisions, and project results, ensuring timely and cost-effective delivery.

8. Sustainability

We adopt environmentally responsible practices and contribute to a greener, more sustainable future.

OUR BUSINESS ETHICS POLICY

ETHICS POLICY

BUSINESS ETHICS POLICY

At TCPL, we conduct our business with the highest standards of ethics, integrity, and professionalism. Our commitment to ethical practices guides every decision, action, and relationship—ensuring trust, fairness, and responsibility in all our operations.

1. Integrity & Honesty

We perform our duties truthfully and transparently. We do not tolerate any form of misrepresentation, fraud, or misleading information.

2. Compliance With Laws & Regulations

We strictly adhere to all local, national, and international laws, building codes, labor standards, safety rules, and environmental regulations.

3. Anti-Corruption & Bribery-Free Operations

We maintain a zero-tolerance policy toward bribery, kickbacks, facilitation payments, or any form of corrupt practices.

All employees must avoid activities that could influence or appear to influence professional judgment.

4. Fair Business Practices

We treat clients, suppliers, partners, and competitors with fairness and respect.

We ensure transparent procurement processes, honest communication, and competitive but ethical conduct.

5. Confidentiality & Data Protection

We safeguard all confidential information, project documents, and client data.

Unauthorized sharing, misuse, or disclosure of sensitive information is strictly prohibited.

6. Conflict of Interest

Employees must avoid situations where personal interests conflict with company interests.

Any potential conflicts must be openly disclosed and properly managed.

7. Health, Safety & Environment (HSE) Responsibility

We maintain safe working environments, follow HSE guidelines, and actively work to minimize environmental impact through responsible construction practices.

8. Respect & Non-Discrimination

We value diversity and treat all employees and stakeholders with dignity.

Discrimination, harassment, and abusive behavior are not tolerated under any circumstances.

9. Accountability & Responsibility

We take responsibility for our actions and decisions.

Every employee is expected to uphold this policy and report any unethical behavior without fear of retaliation.

10. Commitment to Continuous Improvement

We regularly review our ethical standards, policies, and procedures to ensure ongoing improvement and alignment with global best practices.

OUR CODE OF CONDUCT FOR EMPLOYEES

CODE OF CONDUCT

At TCPL, all employees are expected to uphold the highest standards of professionalism, integrity, and responsibility. This Code of Conduct outlines the behaviors and ethical expectations that guide our work environment and interactions.

1. Professional Behavior

- Perform duties with honesty, diligence, and respect.
- Maintain a positive attitude and represent the company professionally at all times.

2. Compliance With Laws & Company Policies

- Follow all local and national laws, construction regulations, safety rules, and internal company policies.
- Participate in mandatory safety and compliance training.

3. Integrity & Ethical Conduct

- Avoid dishonesty, fraud, corruption, or misleading actions.
- Do not offer or accept bribes, kickbacks, or improper gifts.

4. Workplace Safety

- Follow all safety protocols and wear required PPE.
- Immediately report unsafe conditions, hazards, or accidents.
- Never work under the influence of drugs or alcohol.

5. Respect & Non-Discrimination

- Treat colleagues, clients, vendors, and visitors with dignity and courtesy.
- Harassment, discrimination, or abusive behavior is strictly prohibited.

6. Confidentiality & Data Protection

- Protect sensitive company information, project data, and client details.
- Do not share confidential information without proper authorization.

7. Use of Company Resources

- Use company tools, equipment, materials, and vehicles responsibly.
- Avoid misuse, waste, or theft of company property.

8. Attendance & Punctuality

- Report to work on time and adhere to assigned schedules.
- Notify supervisors promptly in case of absence or emergency.

9. Conflict of Interest

- Avoid situations where personal interests may conflict with company obligations.
- Disclose any potential conflicts to the management immediately.

10. Zero Tolerance for Misconduct

- Any form of fraud, harassment, theft, or violation of this Code will lead to disciplinary action, including termination.

11. Reporting Violations

- Employees are encouraged to report unethical or unsafe behavior.
- Reports will be handled confidentially with no retaliation against the reporting individual.

12. Commitment to Excellence

- Strive for continuous improvement in performance, quality, and teamwork.
- Actively contribute to a safe, respectful, and high-performance workplace.

OUR SERVICE COMPANY

All Types of Building Construction (Residential, Commercial & Industrial), Land Developers, Earthwork for Road Embankment & Construction, Underpasses & Small Bridges, Water Supply & Sewerage, Concrete Lining, Solar Systems, Land Acquisition Services, Tower Construction.

GENERAL BUILDING CONSTRUCTION

Design & Construction of Multi Story Buildings. Construction of Commercial and Industrial Buildings. Water proofing and Deep Foundations. Construction of BTS Site for Telecommunication. Air Conditioning, Electrification and Plumbing Works. Renovation of Buildings.

OUR SERVICE COMPANY

All Types of Building Construction (Residential, Commercial & Industrial), Land Developers, Earthwork for Road Embankment & Construction, Underpasses & Small Bridges, Water Supply & Sewerage, Concrete Lining, Solar Systems, Land Acquisition Services, Tower Construction.

BRIDGES/STRUCTURES CONSTRUCTION

Designing and Construction of Bridges.

Construction of Connection Pullies/Small Bridges Construction of Under Passes and Fly Overs

Construction of Pipe & Box Culverts.

Precast Construction and Pilling Works.

Preparation of Expansion Joints.

OUR SERVICE COMPANY

All Types of Building Construction (Residential, Commercial & Industrial), Land Developers, Earthwork for Road Embankment & Construction, Underpasses & Small Bridges, Water Supply & Sewerage, Concrete Lining, Solar Systems, Land Acquisition Services, Tower Construction.

DAMS & FLOOD CONTROL PROTECTIONS

Construction of barrier that stops or restricts the flow of water. Raising the dams to increase the capacity of storage.

Concrete Lining for Dams & Canals.

Retaining Walls (RCC & Plumb Concreting).

OUR SERVICE COMPANY

All Types of Building Construction (Residential, Commercial & Industrial), Land Developers, Earthwork for Road Embankment & Construction, Underpasses & Small Bridges, Water Supply & Sewerage, Concrete Lining, Solar Systems, Land Acquisition Services, Tower Construction.

ROAD & PAVEMENT CONSTRUCTION

Construction of Asphalt and Concrete Roads.

Earthwork Road Embankment and Transportation Services. Road Forming (Preparation of Subgrade and Base Course) Providing Equipment/Material for Road Construction. Construction of Approach Road, Footpaths & Parapet Walls. Installation of Electric Poles and Road Lights.

OUR SERVICE COMPANY

All Types of Building Construction (Residential, Commercial & Industrial), Land Developers, Earthwork for Road Embankment & Construction, Underpasses & Small Bridges, Water Supply & Sewerage, Concrete Lining, Solar Systems, Land Acquisition Services, Tower Construction.

SEWERAGE & IRRIGATION SYSTEMS

Construction of Service Road Drains and Road Drainage System.
Excavation and Preparation of Dykes for Canals.

Waste Water Treatment and Drip Irrigation System.

Providing of Sewerage Lines System.

Lining of Water Course System (Brick Lining & PCPL Segments).

TCPL IT EQUIPMENT

Reliable Technology. Powerful Performance.
Delivered with Trust.

TCPL provides a complete range of IT equipment to meet the dynamic needs of businesses, institutions and organizations. We ensure quality, reliability and cost-effectiveness in every solution we deliver.
